My grandson borrowed a book from the library but did not want to return it. Of course we want to teach him things are not ours to keep unless we pay for them. He said, "Nana pay for it." I went to Amazon put in the title and there it was. We purchased it and when it arrived I asked "Is this the book you wanted?" My grandson said..."books are for kids right so this book is for me. Thanks Nana :)

If you like superheroes, Greatest Battles by Matthew K. Manning is good for you. It tells you about heroes and villains. I like the part when it talks about Spiderman. I think first grade and up can read this book.

THE ORIGINAL

I found the illustrations of the female super-hero Dark Phoenix to be too sexual for young boys. If this concerns you I would suggest looking at the book at a book store or just google "dark phoenix team onslaught vs team parallax" The first images that come up is the image that is in the book.
