Buddy Goes to the Fire Station is a true story about a maltese dog named Buddy, that visits his local fire station. The book is written from his perspective and how he learns about fire safety, what fireman do, and how they know where to go when they get a call for help. The books' illustrations use vivid colors which captivate both young readers and adults. At the end of the book, there are fire safety tips to help educate young readers and their parents regarding fire safety. This book is designed to appeal to everyone that loves dogs but especially young readers. Along with the book, a "Buddy" puppet can be purchased on-line at the authors web site www.buddymydog.com. The charming "Buddy" puppet brings the story to life and will help imaginations soar! Buddy books can help parents lay the foundation for their child to become a lifelong reader.
