Reviews of the **Welcome, Holy Spirit: How You Can Experience The Dynamic Work Of The Holy Spirit In Your Life.** by Benny Hinn

Best book on the Holy Spirit that I have ever read. Read it many years ago and reordered to give away. Very readable, understandable and teachable in how it is presented. There is Scriptural support for every point made and the whole book is written to glorify and edify Jesus Christ which is the role of the Holy Spirit. Highly recommend it. CB

I have been a Christian for 20 years...reading books, listening to sermons, etc. doing my best to understand and gain knowledge and wisdom. Benny's books are taking me to another level. There were so many pieces of the puzzle that I didn't quite put together, until reading this book, and his others. Truly inspiring, and truly documented according to the scriptures quite well. He doesn't give his "opinion", but always relates it back to scripture. and that is amazing. What a great message. My heart opens up and I grow closer to the Lord with this book and his others. I know there are people who "see him from a distance" and think he is weird. But read his book AND THEN judge for yourself. Truth is Truth, even if a messenger is a bit odd on TV. Give it a chance, and see what your heart tells you regarding his informative view of the 3rd person of the Trinity, the Holy Spirit. Brilliant and accurate. Truly a gift that will be on my bookshelf for years, as I reread them. The Holy Spirit is in the Life changing business. and these are the only books I found, which explain the 3rd person of the Trinity so amazingly well. Great Job Benny! and thank you for always pulling scriptures for the message...and pointing to Christ, not yourself. This is no silly prosperity book people. So, drop the regular Christian books you read, and get into the real relationship with the Holy Spirit. It's what we are commanded to do. if you don't know the H.S., then get to know Him. If you think you know Him, then get to know Him MUCH better through this book.

If you are one of the people writing that Benny is crazy, and not in Christ, then you haven't read his books in the Spirit, or even seeking the spirit... Don't be surprised when you get a double portion back at you. God will not be mocked, and His Spirit will not either. Do not Grieve the Holy Spirit or he will leave unannounced. BAM.

I am not a Charismatic or Pentecostal so there are a few things I disagree with but overall I find Brother Hinn's books to be very helpful. The Holy Spirit is God: all-knowing, all-powerful. Brother Hinn has taught us how to tap into that power so we can be used of God for His purposes. We have to let go of our inhibitions and let God have His will and way in us. Then the Holy Spirit can truly fill us (on a daily basis) and use us for the furtherence of the Kingdom. We just have to get out of God's way.

The night I ordered this wonderful sharing of Benny's I was feeling forgotten and alone. I went on youtube and watched Benny's "The Fellowship of the Holy Spirit Part 1". I asked the Holy Spirit to be my friend and companion that night and my walk with the Lord has been transformed into a constant abiding with Him in the Spirit.

In this wonderful book Benny shares the biblical Holy Spirit as an intelligent being of the Trinity versus a mere power to be had; a brilliant and exciting read.

Thank you Father for your mercy; thank you Jesus for you healing grace; thank you Holy Spirit for being my intercessor and comforter. Amen.

Great story about a personal journey getting to know the Holy Spirit.

Even though i am a Christian i did not really understand the power and the presence of the Holy Spirit until i read this book. I have to say, Benny Hinn writes this book with all his heart and you cannot escape from it. Also, as a young man i am so blessed to know the power of the Holy Spirit and experience it first hand in my journey. This is a must read for anyone and of any age.

Not my favorite, it was kinda harsh, but I really appreciate and honor Benny's honesty. This book is his heart and experiences laid down in the open for all to see, he exposes his weakness and his pure heart to seek Holy Spirit's heart and know the depths of the deep waters.

This is one I had a hard time putting down, once I began reading it. I've learned so much about what the Holy Spirit is supposed to be in our lives. He's our helper. He does so much for us that we cannot even begin to understand. This teaching about the Holy Spirit has brought me much peace and understanding. I love this book!
