The beauty of life lies in the possibility for precious moments that each and every day can bring. But in times as hectic as these, it's easy to become distracted and miss them completely. Many of us need a gentle reminder to take the time to stop and smell the roses . . . and to celebrate life's little joys: a blooming garden or a new friend, as well as cherished milestones: a wedding or a new baby. *The Precious Moments of Our Lives* is that touchstone. Each page of this lovely book offers an inspirational phrase to fill the heart with love and hope as well as a photograph of favorite dolls and figurines from the Precious Moments collection. As beautiful and touching as a smile on a rainy day, *The Precious Moments of Our Lives* is both a comforting keepsake and the perfect gift to pass along to someone you care about.
