Reviews of the **Burning With Passion** *by* Emma Darcy

Vareyma

This all started with Valentine's day. She was not only the boss's PA in the office but in his bedroom. But she wants more. He is unwilling to commit. But what happens when she quits? And what happens when her family get involved?

Jesmi

Following the rollercoaster david and caitlin rode is so romantic and gripping...
Read within a few hours! Could read again and again :)
